To: Project Group Members of OIML TC 6

Dear Project Group Members

**GUIDANCE FOR DEFINING THE SYSTEM REQUIREMENTS
FOR A CERTIFICATION SYSTEM FOR PREPACKAGES ("GCOP")**

REQUEST FOR COMMENT AND VOTE – OIML/TC6/p5/GCOP/CD2

The meeting in Korea was very successful and all comments received on the OIML GCOP were discussed and amendments were made as deemed necessary. Please see the "Record of discussions and decisions" attached to my e-mail.

The meeting resolved that, after the necessary amendments have been made to the guide document by the Secretariat, it will be distributed to all project group members as CD 2 with a request for a formal vote.

Attached to my e-mail please find the following documents:

- a) Marked and clean versions of OIML/TC6/p5/GCOP/CD2 dated 24 November 2015.
- b) Voting form for the completion of P-members.
- c) Template to be used for the submission of comments.

It will be appreciated if your vote and comment on OIML/TC6/p5/GCOP/CD2 could reach the secretariat by 2 March 2016.

Yours faithfully

Jaco Marneweck
OIML TC 6 Secretariat
